Yuletide Ball Chairs

Laura Trevelyan & Maddie Whoriskey

The Yuletide Ball is Saturday,
December 13th at The Heights Casino!

For over 134 years, Brooklyn Kindergarten Society has provided high-quality early childhood education to our littles learners in Central Brooklyn. Yuletide Ball is BKS's largest fundraiser, providing critical resources to inspire, challenge, and cultivate our students' cognitive, emotional, and social development as they expand their fine & gross motor skills.

The Yuletide Ball directly supports our Inclusive Learning Program which gives our 2 to 5-year-olds no-cost access to Occupational Therapy, our Fran Bernstein Sensory Gym, and social & emotional learning with our licensed social worker. This year, we are also seeking your support for two new roles, a Speech Therapist and a Director of Special Education to lead this holistic team.

Additionally, Yuletide continues to support our Music & Movement Program which brings tennis, violin, and yoga into our centers.

Since 1920, generations of Brooklynites have looked forward to the Yuletide Ball, an annual gathering to support Brooklyn kids and celebrate the holidays.

Questions? Contact John at jlinder@bksny.org.

All gifts to the Yuletide Ball are 100% tax deductible to the extent the law allows. BKS commits to using your donations as described. Once sufficient funds are raised for each program, funds will be used to meet other educational priorities & needs within BKS.
