

On behalf of the Board, Staff, and Students we serve,

Thank you!

Through the support of our friends, donors, and dinner hosts, this year's Yuletide Ball broke a record. We raised more than \$450,000 to support BKS and our Music & Movement Program; which brings violin, tennis, and soon yoga and mindfulness activities to our 2, 3, 4, and 5 year olds living in Central Brooklyn. Proceeds from the Yuletide Ball will also help us launch our new Sensory Gym, which will provide occupational, physical, and speech therapy to our students. The Sensory Gym is dedicated to our late board member, Fran Bernstein

We want to extend a special thank you to this year's
YULETIDE BALL CO-CHAIRS

Thank you!

Barbara, Carter, & Shwetha

Whether you made it to The Heights Casino for the dance, or not, you can still stay connected to BKS's work that is supported by Yuletide, we invite you to watch the virtual toast!

Yuletide funds our Music & Movement program which supports our students' cognitive, emotional, social, and behavioral development as well as the physical development of their fine and gross motor skills. Movement & Music brings tennis and violin lessons into our centers, as well as supports our revolutionary Sensory Gym, which provides occupational therapy to our 400 students living in Central Brooklyn. In short, proceeds from Yuletide Ball go to support BKS' work to ensure that our students have an equal first step in their education.

[Watch this year's virtual toast.](#)

See photos of some of the festivities from last night's Yuletide Ball!

[*Visit our facebook album here.*](#)

Did you mean to, but forgot to? It is not too late to support BKS.
